Premier Feather-weight of the District Sure of Tipping Scales at 122 for Bout with Kid Marshall.

### IS TRAVELING A LONG ROUTE

g Thomas, the premier feather-battler of the District, yesterday started in training faithfully for his bout with Rid Marshall, the nervy little fight-er from the Washington Barracks. Thomas put in three hard hours of work and at the finish tipped the scales at 124 pounds. He claims that he will have no trouble making the weight of 122 pounds, which is called for in the articles of greement. Both boys will be compelled to put in

the hardest kind of work to be ready to go the distance, as this will be the long-est route ever traveled at the Maryland Club and the longest that either fighter has gone. Fifteen-round bouts have been the limit at the Ardmore Club, but as this is a grudge fight, the promoters of the Maryland Club were anxious to book

the local feather-weights.

Thomas and Marshall have posted for-Thomas and Marshall have posted for-feits to weigh in at 122 pounds at 2 e'clock, give or take two pounds. It is possible that Kid Marshall will have a slight advantage in the scaling. as Thomas rarely weighs more than 124 pounds. However, this slight difference in their weights will not affect their work in the ring, and it should be a rattling performance. Twenty rounds is a long route to travel at any time, and both boxers are preparing for a hard course of boxers are preparing for a hard course of training which will fit them perfectly for their bitter test.

NATIONAL LEAGUE WINNERS.

The closing of the pennant race in the National League has caused a deiving into ancient records of the organization with the result that several interesting sidelights have developed. Boston, in winning the ISI4 flag, draws within one point of the league record of ten pennants held by Chicago. New York is two shy of Boston's record. These three cities lead by a comfortable margin all the other cities which from time to time have been represented in the National League. The order in point of pennants won is as follows:

Lexington, Oct. 1.-The classic Tenspee Stake, a \$3,000 event for free-forall pacers, which was the feature of the third day of the trots, was robbed of nuch of its interest today when Frank Bogash, jr., in warming up for the race went lame and was withdrawn. This left no worthy opponent for the champion Directum I, which won in straight heats. The first two were comparatively slow, but in the third distance was waived and the champion sent a fast mile. He responded by pacing in 1:591-2, the record for the local track, and the fastest third

heat ever paced.

The Assessor had no trouble in winning the deciding heat of the 2:14 pace, carried over from yesterday. King Ambit won the 2:22 trot in five heats.
